## School Development Plan 2008 - 2009

### Target 2:

To refine our provision for the implementation of the skills based curriculum.

### Strategy Actions

#### Initial awareness training

- Subject Leaders to attend ESIS In-service training courses to receive updates on requirement of the new curriculum.
- Subject leaders report to staff and governors on changes in staff meetings and briefings.
- Thematic approach to planning (established Sept 2006) refined in each fortnightly planner and brought into medium and long term planning.

#### Further developmental training

- Cluster based training initiative provided by Roy Jarrett undertaken.
- Outcomes discussed and implemented into classroom practice.
- Skills ladders agreed and implemented.
- Skills leaders appointed and role identified.
- Skills approached identified and linked to Assessment for learning and to our policy to deliver teaching and learning.

#### Matters arising from training

- Formulate and agree an action plan for future development after monitoring and evaluation processes.

### Outcome Measures

- All staff and governors updated on changes to orders.
- Thematic approach being developed termly.
